

Commission for Health, Social Security and Fire Services

RODRIGUES REGIONAL ASSEMBLY

Executive Decisions concerning the Commission (5 April 2024)

- That an Open Day will be organized by the Commission for Health on 06 April 2024 at Oyster Bay Football playground to mark the World Health Day 2024 which is celebrated each year on 7 April 2024. The theme for this year is “My Health, My Right.”
- To approve the naming the new Hemodialysis Unit at Queen Elizabeth Hospital as Jean Yves Casimir Hemodialysis Unit. Late Mr. Jean Yves was proclaimed laureate in 1999 and obtained the Monash University International Scholarship for Excellence and was qualified on 06 December 2024 for a Bachelor of Pharmacy with Honours and graduated on 18 May 2006. He joined the public service from 1st November 2018 and was the first and sole Rodriguan Pharmacist/Senior Pharmacist on the RRA Establishment Health Services.
- That the Commission for Health, with a view to raise further awareness of the public on protective measures to fight against Dengue Fever, has prepared a new pamphlet for distribution to the population. The pamphlet highlights the imperative to eliminate mosquitoes through the destruction of its living habitat; stagnant water sources and using of protective barriers.
